## Tuition Structure

Tuition is spread equally over the course of a year and charged each month in advance, starting January 22nd. This monthly payment guarantees the student's place in my studio and covers the costs of lessons and enrolment. The monthly payment amount is divided evenly between the 11 months from February to December. This means that whether there are 5 or 2 lessons in that month, the tuition fee is exactly the same. Students will setup an automatic debit each month with Credit/Debit Card through my Music Staff software. All tuition payments are non refundable and not adjusted for missed lessons due to student absence. For 2018 tuition schedules are as follows:

Beginners small group class (30 minutes): \$91/month

Beginners partner lesson (45 minutes): \$110/month

30 minute private lesson + 30 minute piano lab: \$131/month

45 minute private lesson + piano lab: \$180/month

At the beginning of each year there is a \$150 once off payment that acts as a deposit to secure a place in the studio and also cover all books, music, lesson materials and events. For students beginning mid year the fee will be adjusted to reflect the starting time. This deposit is non refundable if lessons are discontinued for any reason.
